

# The TEAM

## STAFF PROFILES

**Name:** Sam Moore

**Job Title:** 5 x 60 Officer Bryntirion Comprehensive School

**What does your job involve?**

*Trying to get young people active. By organising fun and exiting activities which they want to do.*

**How did you become involved with the Active Young People Department?**

*I started doing voluntary work with the AYPD in 2007 after that I worked as a 5x60 officer in the vale before returning to the AYPD summer 2009.*

**Do you enjoy your job and why?**

*I really enjoy my job, as a 5x60 officer I always have to be checking out new sports and finding out what people want to do, what are the cool sports. The job is very challenging and changes daily which keeps me on my toes.*

**Are you interested or do you take part in any sports outside of work?**

*.Surfing takes over my life outside work, if there is surf I'll be there. Other sports are surf lifesaving which takes a bigger portion of my life as the surf isn't normally that good so I have to fill the space. Also like rugby, skateboarding and boxing*

**What are your hobbies or interests outside of sport?**

*Outside of sport I love my music, especially of the punk rock variety so if im not doing sport then you can find me finding new music or thrashing a song or two out on guitar hero!*

**Who is your favourite sports person past or present and why?**

*Clint Robinson – all time highest Australian surf lifesaving gold medal winner, Olympic gold medal winner. He has a really good training ethic and is massive!!*

*Joel Parkinson – favourite surfer, got a really good style but still rips, at the moment is leading the world ratings.*

*Kelly Slater – if you can win the ASP world tour 9 times you must be doing something right. And to come back out of retirement and win the tour again just shows true class!*

**What are you aspirations for the future?**

*To keep having FUN and possibly having a family.*

**An interesting fact about me is:**

*I have represented Wales in surf lifesaving for the past 7 years as well as represented GB on 4 separate occasions culminating in the world championships last year where I placed 5th.*
